

# HEALTHFORCE FREQUENTLY ASKED QUESTIONS

## HOW WILL I ACCESS THE EVENT THAT DAY?

You can get details, register for the event, AND access the event all at [bit.ly/healthforce21](https://bit.ly/healthforce21). You will also get reminder emails before the event after you register using "Hopin", our event platform.

## CAN I WATCH WITHOUT A HOPIN ACCOUNT?

No, you will need to create a Hopin account in order to attend. They are FREE & only take a couple minutes to create.

## DOES IT MATTER IF WE WATCH SOLO OR IN GROUPS?

You can watch however you like! We have many teachers register groups and classes so students can watch together - and only one account has to be logged in. However, if students want to break into small groups for the breakout sessions, or watch the events on their own - we encourage you to also be registered individually. This also ensures you can type in the chat, receive our follow up packet AND be eligible for prizes throughout the event.

## DO STUDENTS NEED TO DRESS UP OR BRING ANYTHING?

Not at all! You don't even need to turn your cameras on - no student/school attendees faces will be shown live/in real time. We encourage you to upload a photo or logo to personalize your Hopin account in the chat!

## WHO ARE THE SPEAKERS & EXHIBITORS?

We will continue to update the Hopin event page and our social media pages as details are released!

## IS THERE ANYTHING ELSE SCHOOLS OR STUDENTS SHOULD KNOW?

If you need to know more - please contact us right away! We will get back to you AND update this page in case others have the same questions.
