

Graduate Medical Education Onboarding

All SEP & SEH APRN Students, CNM Students, CRNA Students, MSN Students, PA Students, Medical Students, Visiting Residents, and Provider level shadowing experiences are completely processed by the GME and Student Placement Office.

All APRN Students, CNM Students, CRNA Students, MSN Students, PA Students, Medical Students, Visiting Residents, and Provider level shadows will first need to fill out this Microsoft Form: <https://forms.office.com/r/x00x8AdctV> for us to gain initial onboarding information from you to input into our onboarding system, MedHub. MedHub will then send you an autogenerated email with all the requirements you need to complete for your rotation or shadowing experience.

The GME and Student Placement Office consist of three people, in which you can reach out to for information or if you have any issues with the onboarding process.
