

Alaris Training Modules

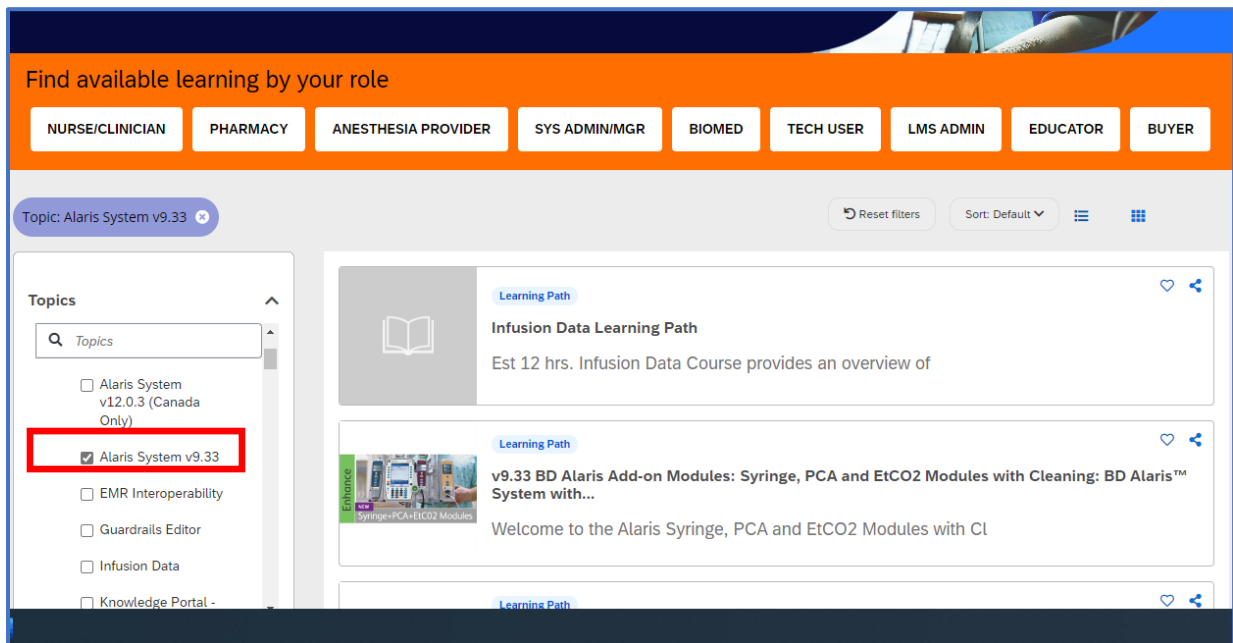

Go to <https://bd.com/LearningCompass>

Create an account by clicking on **New User Registration** to access the site for the Alaris and Pyxis ES online training portal. Must allow popups.

- A. Select **“Content Library”** at top of webpage. If you have registered and logged in before, the webpage will look slightly different, but have the same taskbar at the top.

- B. Under Topics section on the left side of webpage, scroll down to **Alaris System v9.33**, then select box next to **Alaris System v9.33**. The **v9.3.3**: courses generates on the right side of the screen.

Alaris Training Modules

- C. Scroll down on the right side through the v9.33 Alaris courses to the curriculum that is 2hrs and 51 min: **BD Alaris Essentials: Intro, PC Unit, Pump, Syringe, PCA, and EtCO2 Modules with Anesthesia Mode and Cleaning. BD Alaris System with Guardrails Suite MX Training Curriculum.**

The screenshot displays the BD Learning Compass interface. On the left, there is a 'Tags' sidebar with a search box and a list of roles including 'abx', 'abxstewardship', 'administrator', 'advisor', 'alert', 'alertdocumentation', 'alerts', 'anesthesia_provider', and 'assign'. The main content area shows a list of training modules. The fifth module in the list is highlighted with a red rectangular box. This module is titled 'v9.33 BD Alaris Essentials: Intro, PC Unit, Pump, Syringe, PCA, and EtCO2 Modules with Anesthesia Mo...' and has a duration of '2 hrs, 51 min.'. Below the title, it says 'Welcome to the Alaris Intro, PCU,'. The interface also shows other modules with durations of 1 hr. 33 min., 1 hr. 53 min., and 2 hrs. 22 min. The browser tabs at the top include 'BD Learning Compass Login Inst...', 'edges//newtab', 'Edit Profile', and 'Content Library'.
